**ROYAL THAI EMBASSY
DHAKA**

The Royal Thai Embassy presents its compliments to the Ministry of Foreign Affairs of the People's Republic of Bangladesh and has the honour to inform that Thailand International Cooperation Agency (TICA), National Research Council of Thailand (NRCT), the Embassy of Sweden in Thailand, and the International Science Programme, Uppsala University are jointly offering 5 scholarships for Doctoral Study in Chemistry, Mathematics, Physics and Biology to applicants from Cambodia, Laos, Myanmar, Vietnam, Bangladesh, Bhutan, Nepal, and Sri Lanka under Thai-Swedish Trilateral Development Cooperation Programme.

The Embassy has further the honour to inform that qualified applicants regardless of career, aged not more than 40 years old (until the application date) who have received consent from the agencies/companies they serve, are eligible to apply. Successful candidates will study in Thailand for 2 years and conduct research in Sweden for 1 year. Master's degree foreign students in Thailand who wish to apply for the scholarship must obtain permission from their relevant government agencies before application. Course details and the list of Thai project advisors for Doctoral Study are herewith enclosed or in QR Code below.

In this regard, the Embassy would like to request the Ministry's kind assistance to transmit the information to the competent authorities. Applicants are requested to (1) provide 3 copies of duly filled application form, research proposal, and other required documents (2) submit all documents to the Embassy **by 10 December 2023**. Furthermore, should the applicant be a government official, all application documents must be submitted through the responsible government agencies. For applicants who are non-government official, the documents could be submitted to the Embassy directly.

The Royal Thai Embassy avails itself of this opportunity to renew to Ministry of Foreign Affairs of the People's Republic of Bangladesh the assurances of its highest consideration.
